HOMECOMING

Smoke bomb phobia

"Hey dude, Let's party!"

Homecoming is a traditional part of the Oak Hills Experience. It began with Pep Week, October 3rd through the 7th, which included Pajama Day, Music Day, Armed Forces Day, Class Day, and Red and Black on Friday. The number of participants increased as the week progressed. Spirit filled Oak Hills and peaked on Friday afternoon at the pep assembly.

During the pep assembly, the 1984 Homecoming court was introduced. Various skits were performed, and the Conettes made their first appearance of the school year.

It was a fun-filled week for all Highlanders. We united as a school, showing our true school spirit, and we cheered our football team in hopes of a victory over Northwest at the 1984 Homecoming game.

Homecoming evening was crisp and cool. Cars, draped and adorned with balloons, red and black streamers, and signs forecasting victory, blended with multi-color leaves as the Homecoming Parade wound its way through neighborhood streets. Autumn filled the air.

The bedraces, a traditional part of the Oak Hills Homecoming Experience, once again featured pajama clad Highlanders. Beds, rather dilapidated affairs on wheels of various sizes and styles, were raced over a hundred yards of cinders on the track. Some were even able to complete the distance.

Then came the game.

Oak Hills halfback Jim Hebert passed to Keith Willike for a touchdown on the opening set of downs, and the Highlanders never looked back. Northwest suffered a 35-0 defeat at the hands of a fired-up Red and Black squad.

Following such a convincing victory, the Homecoming Dance on Saturday night was a real celebration, honoring Homecoming King, Don Ruehl, and Queen, Nancy O'Connor.

The 1984 Oak Hills Homecoming Experience is one that will be long remembered "Through the Years."

FADS

Oak Hills saw a wide variety of fads and fashions develop during the 1983-1984 school year.

The haircuts went to a standout punk while parachute and leather pants emerged. To the delight of the male gender, mini-skirts became common. Cutoffs and vivid striped, sleveless shirts were also a familiar sight. Sometimes it was a necessity to complement the checkered shoes and faded jeans with a bandana wrapped around the knee. Sunglasses appeared around an increasing number of necks.

Girls' ears were decorated with not only earrings, but also with ear cuffs.

While punk was the fashion for jewelry and clothes, the style of music varied. With publicity from MTV the most popular style of music was Michael Jackson. The phenomenal superstar thrilled teenagers with his hits from the smash album "Thriller." The familiar sound of the Police and their Top 10 album "Synchronicity" was heard from many car stereos as students left the parking lot at 2:33. Soundtrack music from "Footloose" caused that movie to become the number one film. Breakdancing and Moonwalking were spinoffs from that movie. Eventually many were attempting to perfect this latest and unusual dance craze.

Overall, casual and comfortable seemed to be the barometer by which tastes were measured for this year's version of the Oak Hills Experience.

"Damn Yankees," a musical comedy, emerges from the old Faust story of a man who sells his soul to the Devil. In this case, Joe Hardy makes the sacrifice to perform on a professional baseball team. Joe, however, begins to miss his wife much more than he had anticipated, and so he desperately attempts to regain his soul. Ultimately, he succeeds, realizing that he loves his wife, Meg, more than he loves baseball.

The play was a success due to its spontaneous humor, its outstanding acting, and its light music. "Damn Yankees" played to large audiences, and it introduced several new players to the Oak Hills stage.

"Everyone rise, your Queen is here."

"It all began when . . ."

DON'T DRINK THE WATER

The Oak Hills Drama Club presented its second play of the year on February 3rd-5th. The play, the Woody Allen comedy " Don't Drink the Water," is about an American embassy located in a communist country. Communist agents, whining American tourists (supposedly U.S. spys), and a budding romance complicated matters for the bumbling embassy worker in charge.

The combination sophomore, junior, senior cast worked well together, and the result was a truly enjoyable production.

SPRING FLING

Missy Nuckols, Pam Hall

The "Spring Fling" was held on March 16, at Scheuler's Ballroom. The evening began as the lights dimmed and the disc jockeys cranked up the tunes. Over 200 people danced the evening away. Two Break Dancers showed everyone the newest "moves." All proceeds from the dance were contributed to the Ricky King Fund.

We all enjoyed this special part of the Oak Hills Experience.

CHAMPIONS

Debbie Hale, Carol Hall

Missy Browning

The 1983-1984 Oakettes had 41 members. The five senior officers were Carol Hall, Sharon Acore, Debbie Hale, Carolyn Higley, and Tonya Mestemaker.

The year was satisfying in many ways. Long, hard practice sessions, five days a week and two or more hours a day, paved the path to the state competition.

The drill team had to qualify at Worthington to be eligible to go to State. At Worthington, the Oakettes took a close second to Zanesville's award-winning team. Following the loss to Zanesville, our team had two weeks to prepare themselves for the state tourney.

The state competition was once again held at Otterbein College, and the Oakettes had once again to face the difficult Zanesville team. But this time the outcome was different. For only the second time in the last ten years, Zanesville was beaten. And our Oakettes were Number 1. No member of our team will ever forget the thrill of that day.

From the first football game to the spring tour of Washington D.C., this championship year for the Oakettes was a vital part of our Oak Hills Experience.

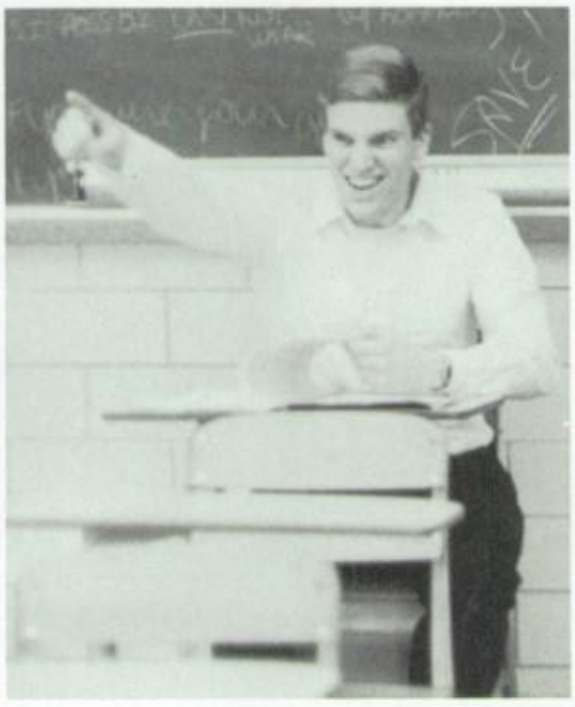
On March 16 and 17 the Oak Hills Science Club held its annual Science Fair. There were over sixty entries ranging from "Comparison of Products for Thermal Resistance" to "Applications of High Speed Photography."

Awards were given in three divisions: Chemistry, Physics, and Biology. Students could win a first, second, or third place, or an honorable mention.

One of the participants, Doug Gorman, was one of seventeen Ohio high school students chosen to present his entry at the "Junior Science and Humanities Symposium." He also presented his project, "The Effects of Yohimbine on Local Anesthetic Induced Brain Seizures," at the international level in Columbus.

The supervisor of the Science Fair was Miss Rebecca Stricklin. Miss Stricklin, a chemistry teacher at Oak Hills since 1976, received the Colonel George F. Leist Distinguished Teacher Award. This award is presented yearly to the teacher who has provided the most assistance to the student. It includes a plaque and an allowance for school chemistry equipment.

MOCK TRIAL CHAMPS



In 1984 students from Oak Hills won the first annual Ohio Mock Trial Program. The program was sponsored by Ohio Attorney General Anthony Celebrezze, the Ohio State Bar Association, and the American Civil Liberties Union of Ohio. The purpose of the program is to help Ohio high school students learn about the legal system by allowing them to play the roles of principals in a simulated trial. Thirty-two Ohio high schools participated in the competition which culminated in the finals held in Columbus on April 28.

The mock trial simulated a court case involving a visually handicapped high school student and a possible violation of the student's constitutional liberties. The students participated in the competition as defendants, plaintiffs, attorneys, and witnesses in the case. The tournament was judged by leaders of Ohio's legal, education, and governmental communities.

The finals, held before a packed courtroom in the Franklin County Hall of Justice, concluded a month-long elimination tournament. For the Oak Hills team, the competition had begun on March 31 at the University of Cincinnati Law School in the Moot Trial Court.

The Oak Hills team who claimed the inaugural state championship included Sally Boerschig, Kim Collins, Cindy Courtright, Mike Dobranski, Don Fieler, Debbie Fox, Michelle LaMonte, and Amy Mason. Each received engraved gavels from the Ohio Secretary of State.

The team was coached by Mr. Charles Birkholz, and Ms. Ellen Greegor served as the legal advisor. All were honored on Fountain Square on May 1, Law Day USA.

These students and their advisors brought both excitement and honor to Oak Hills. They were certainly a vital part of the Oak Hills Experience.

Many hours of practicing and coaching helped make this team a championship one.

"Truly"

Girl, tell me only this, that I have your
heart for always,
And you want me by your side, whispering
the words "I'll always love you";
And forever I will be your lover,
And I know if you really cared I'll
always be there.
Now I need to tell you this, there's no
other love like your love;
And I, as long as I live, I'll give you
all the joy my heart and soul can give.
Let me hold you; I need to have you
near me,
And I feel with you in my arms, this love
will last forever
Because I'm truly, truly in love with
you, girl;
I'm truly head over heels with your love,
I need you, and with your love I'm free,
And truly, you know you're all I will need.

The 1984 "Best of Oak Hills" drew large crowds for the four nights that it ran. Director Larry Welsh and Student Assistant Jerry Edmundson were among those who worked hard to make the show successful. Fine Arts supervisor Carol Gangwer was an accompanist, while Dan Doerger presided as Master of Ceremonies. Once again the students and the faculty worked together to show off the best Oak Hills has to offer.

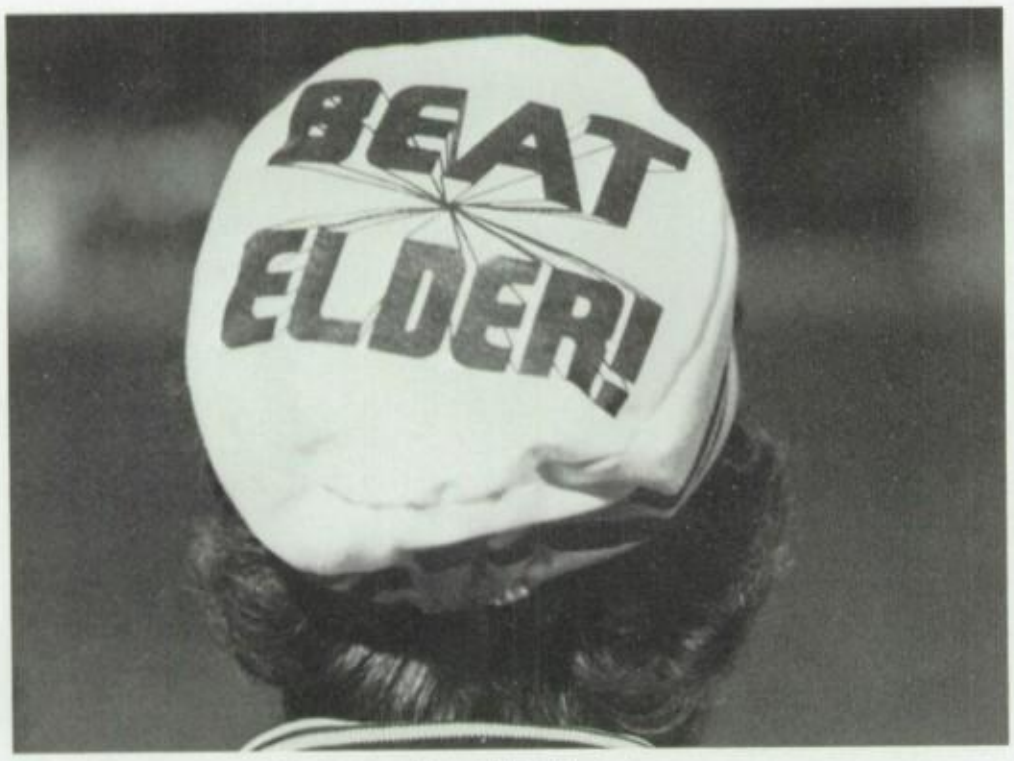
The 1983 edition of Highlander football was an exciting part of this year's Oak Hills Experience. High levels of individual performance and improvement by many players helped to make the season a success. Coach Ed Jackson's squad ended the year with a 6-4 overall record and a 3-3 record in the Hamilton County League. The Most Valuable Player of the season was Ken Schmal, and Jamie Yeagle was awarded "Sticker of the Year." Other key players were Mike Burtschy, Off Back; Ron Schwarz, Most Improved Offensive Player; and Deron Braun, Offensive Lineman. John Cooke held the Best Defense title, and Ken Schmal was the Best Lineman.

All team members and a staff of highly dedicated coaches worked together to create a satisfying season for themselves and the Oak Hills fans. And to punctuate the season appropriately, the Scots defeated Elder in the final game.

ELDER



The official hat.

A red and black spirit week climaxed in the annual Oak Hills vs. Elder pep rally. Mr. Jackson implored us once again to "Rock 'n Roll," and the Highlanders rolled over Elder, a 14-0 victory. The November 4th contest was the first of the Oak Hills-Elder series to be played at Elder's "Pit." This win brings the series record to Oak Hills 3 — Elder 3.

GOLF

1st Row: Rick Barnett, Mark Forester, Tom Schuman, Greg Aichele. 2nd Row: Kevin Grimmer, Rob Rothhaas, Mike Clements.

The Highlander Golf Team, coached by Mr. Eugene Poynter, was League Champion for 1983. Their league record this year was 22-0. Their record for dual matches was 17-1. The boys won the League Tournament, and came in 6th out of 14 teams in the sectional tournament. They also came in 7th out of 27 teams in the Princeton Invitational.

Junior Mike Clements won positions on the League All-Star Team, the 2nd team All-City, and Honorable Mention All-City. He was a Southwest Qualifier in the Ohio Junior Open, a Midwest Qualifier in the National Junior Open; he qualified for match play in the National Junior Amateur, and placed 2nd in the League Tournament. His overall average was 39.5.

Junior Kevin Grimmer was All-league and received Honorable Mention All-City. He came in 1st in the Neuman Junior Club Championship, 1st in the Tournament of Champions, and 2nd in the YGA Championship. His overall average was 40.6.

Sophomore Greg Aichele received Honorable Mention All-League and All-City. He finished 1st in the Hidden Valley Junior Championship, 1st in the Neuman Club Junior Championship, and 1st in the League Tournament. His overall average was 40.8.

Junior Rick Barnett also had what may well be a record achievement by collecting over $600 for the Leukemia Golf-a-thon.

The Boys' Cross Country season was supported by great individual effort for 1983. Preparation for the season always begins long before meets ever begin, but this year's team demonstrated great individual dedication. Don Doyle, the team's most valuable runner, ran a total of 2500 miles in the three summers prior to this fall. Mike Dobranski and Rick Artmeyer each ran 1000 miles in two summers. Mark Agee and Todd Bauer both ran 500 miles this season. Don consistently ran 55 miles per week during the season.

The first four runners for the team were Don Doyle, Eric Thien, Mike Dobranski, and Todd Stammer. Doyle and Stammer qualified for the District, and Don missed qualifying for the State meet by only two places.

Tremendous effort made by these individual runners and the remaining Cross Country team members made this season a successful one.

Standing: Coach Journell, Coach Oyakawa. 1st Row: Shane Scanlon, Joe Grimes, Doug Marlow; Captains — Tom Ernst, Jim Williams, Mike Dobranski; Jerry Funk, Jeff Helbling. 2nd Row: Tom McCafferty, Dan Gilkey, Don Schneider, Gary Bedinghaus, Carl Auberger, Steve Metz, Gary Weisgerber, Frank Mikat; 3rd Row: Marc Young, Ralph Brodbeck, Tom Gormely, Adam Moellinger, Tim Morris, Randy Oppelt, Matt Green, Tom Dooley, Tim Turner.

The 1984 swim team, once again coached by Mr. Oyakawa, was a young team, having only four senior members. Yet on the strength of some valuable sophomores, the team put forth a successful season. In dual meets the record for the season was 6-1. The team was runner-up in the Sectional Meet, and sophomore Jerry Funk placed 24th in the State Meet in the 100 meter breast stroke, while senior Jim Williams placed 14th at State in the 100 meter butterfly.

Addition of Shane Scanlon, AFS student from Australia, gave the team two strong events in the back stroke and I.M.

Tri-Captains of the team were Mike Dobranski, Tom Ernst, and Jim Williams.

The real satisfaction of the season came from the outstanding improvement shown by individual team members. In the last three meets of the season, 90 percent of the swimmers showed personal best times. Based on that kind of performance late in the season, Coach Oyakawa is looking for a strong team in 1985 with hopes of taking a powerful group to the State Meet.

Cincinnati's Boys' Basketball Coach of the Year, Hep Cronin, had everything a coach would need for a successful season: outstanding guards, a 6'9" center, and two strong forwards. This year's team broke Coach Moore's old record of 18-1 from the early 1970's.

All five starting players received recognition for their excellent caliber of play. Guard Don Ruehl was named to the First-Team, All City and the HCAL All-Star team. Chris Georgeton received Honorable Mention All City and HCAL All-Star team. Junior center Jeff Flynn was picked for the Second Team All City and HCAL All-Star team. Senior Carl Ramstetter and junior Grant Greisser received Honorable Mention in the HCAL All-Star team.

The boys' only loss in their 22-1 record came to a strong Middletown team in the third round of the Oxford Sectional.

The team was Reserve Hamilton County American League Champs for the third year in a row. The team also set a school record for reserves in the 10th game of the season when they scored 85 points against Turpin.

The wrestling team started the year by getting their long-awaited revenge against Sycamore, beating them soundly 49-18. Throughout the year, the team also had victories against such rivals as Elder, Fairfield, and Lakota. The varsity ended the season with a record of 9 wins and 2 losses.

On February 19, the wrestling team captured the League Title to make them League Champs for the 16th straight year. The team also took first place at the Districts and third place at Regionals. The five wrestlers to qualify for State Championships were junior Ron Dance (119) and seniors Kevin Osborne (112), Dave Steffen (126), Ron Schwarz (167), and John Rohe (175).

The Reserve Team ended the year with an undefeated record of 11-0. In the past 16 years, the Reserve Team has only lost one match.

For the past 12 years this outstanding program has been led by Coach Dick Roche, who received the 1984 AAA Coach of the Year award.

Prior to meets, the Matscots constantly encourage our wrestlers with locker decorations and Good Luck messages. During the meets themselves, the girls keep score, they keep track of time for the referees, and they cheer for our grapplers.

This year the Matscots served a lasagna dinner to the wrestlers as their last feast a week prior to the wrestle-offs.

For the first time, a Most Valuable Matscot was selected this year. For 1984, the award went to Lois Padur.

The Boys' 1984 Tennis season was plagued by one major element — the weather. It rained more this spring than in any other in recent memory. Rain-outs disrupted practices and match schedules, and infected the entire team with inconsistency. Yet the varsity team rose from the mud and puddles to compile a respectable 8-8 record. Coach Jim Eger gave every member of the varsity squad an opportunity to play, and the line-up frequently changed to give players added playing time. All things considered, it was a fun and enjoyable year for all associated with the tennis team.

The Boys' Track Team had a rebuilding season with only nine seniors returning out of fifty members. The varsity team had an average season, while the reserves finished with an excellent season. The 1984 Most Valuable Runner Award was given to both Don Doyle and Maury Bibent. Senior Don Doyle had personal best times of 2:02 in the 800 meter run and 4:32 in the 1600 meter run. Junior Maury Bibent had personal best times of 15.5 seconds in the 110 high hurdles and 39.1 seconds in the 300 low hurdles. Bibent was the league champ in both hurdles. Rodney Hughes was the 1984 Most Valuable in Field with a shot put of 50′6″. Greg Arkle and Tom Gajus were the most improved in Field.

The Highlander Hardballers had a highly successful season in 1984 in spite of wet weather in the spring which made early practice difficult. The team was undefeated League champs, and, at 15-3, had the best winning percentage of teams in recent years. Coach Meier's men won the Best of the West Tournament, beating both Elder and LaSalle. The greatest disappointment of the season came with a loss to Hamilton in the Sectional Tournament.

Senior Bob Lake was named Most Valuable Player for the season. Pitcher Joe Weingartner was named All-City. Grant Greisser was the team's batting leader, hitting .429 for the season.

Both the Varsity and the Reserve teams provided the school with an exciting spring on the diamond.

Mr. Whitehill, head trainer for Oak Hills, has put together a student trainer program that is one of the best in the city. It was started in 1980 and has a number of students per season who help athletes who are injured by taping, icing, or applying heat. The students usually start by learning how to tape the most common injuries such as sprained ankles. The program covers all of the sports, but primarily trainers are needed for football, wrestling, basketball, and baseball. The trainers attend all of the games for their sport and are eligible for a Trainer's Varsity 0.

For many students, an important part of the Oak Hills Experience is the active intramural program coordinated by Mr. Frank Mumford. This year more than 225 students participated in football, basketball, and softball leagues.

On March 20, an All-Star team of intramural basketball players, chosen by league participants, played some of the high school faculty members in a game which benefited both the Ricky King Fund and the National Honor Society Scholarship Fund. In a tightly contested battle, the All-Stars beat the faculty by 1 point. Mr. Mumford announced the game, and Mr. Eads and Miss Meyer officiated the event.

This year's volleyball team had a slow beginning to its season, but things were turned around by a trip to New Albany, Indiana, where the team played four of the six top-rated teams in that state. From there, the Oak Hills team improved consistently throughout the season and went into the sectional/district tournament at full speed. In the semi-finals of the district, they disposed of top-seeded Milford and advanced to meet Lakota in the district finals. Oak Hills won easily to clinch the district championship once again.

Senior Lesli Birkofer was named honorary captain of the All-League Team. Missy Johnson and Julie Miles were also named All-League. In addition, Lesli Birkofer was named to the 1st Team, All-City, and Missy Johnson received Honorable Mention. The girls' coach, Ann Her-Herrmann, was named Hamilton County Coach of the Year.

Coach Wuerdeman led the Reserves to an undefeated season for 1984.

CROSS COUNTRY

The 1983 Girls' Cross Country Team experienced highest levels of success. An outstanding season climaxed in the team's participation in the State Cross Country Meet in Columbus on November 5.

Remarkable individual dedication and team spirit yielded victories throughout the fall. The girls won the Fairmont Invitational in Dayton. They were runners-up to McAuley at the Ross Invitational and runners-up to Toledo DeVilbis at the Defiance Invitational. Highlander runners won the league meet, and also swept the sectionals.

Holly Parr was the Most Valuable Runner for the girls. Sue Smith was awarded the Most Improved Runner for the season, and Mary Loebker was the Scots' best finisher in the State Meet. Cindy Beul exhibited exceptional talent, though sickness kept her from participating in a number of meets.

This successful team and the loyalty of individuals on the team made the entire school proud to be Highlanders this fall.

Front Row: Michelle Pohle, Heather Tieman, Shelley Wise, Diane Runk, Sandrine DeCarlan. Back Row: Nancy Mendel, Kathy Rembold, Kelly Cardullias, Ingrid Hellman, Coach Thomas.

Coached by Rod Thomas, sixth grade teacher at Delshire School, this fall's edition of Girls' Tennis produced a quite successful season. Posting a record of 15-1, the Lady Highlanders were Tri-champs in the league with Turpin and Wyoming.

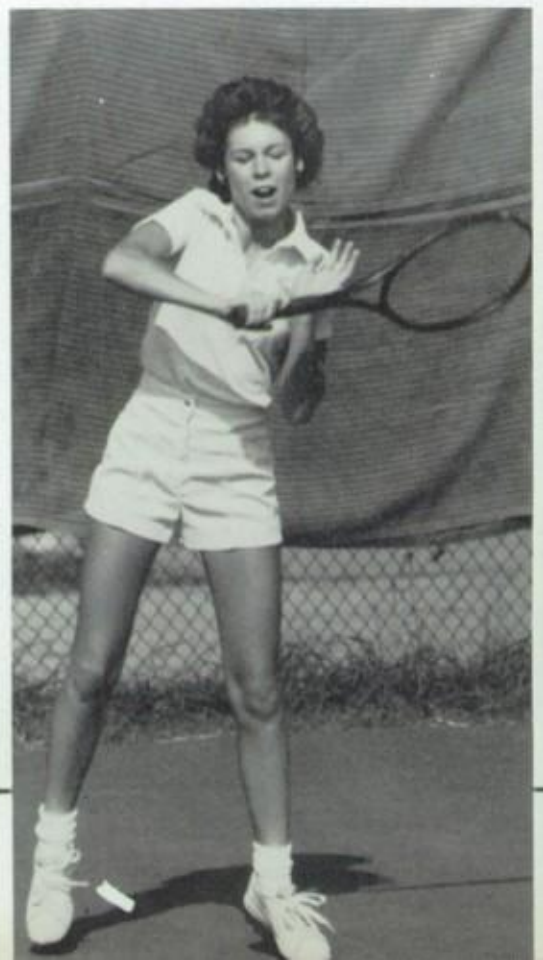
Exceptional individual talent was exhibited by all team members. Kathy Rembold held the best team record, winning all matches but two. Kathy won the sectional tournament, qualifying her for the district meet. The doubles combinations of Nancy Mendel — Ingrid Hellman and Shelley Wise — Diane Runk placed 3rd and 4th respectively in the sectional meet and also moved on to the district meet.

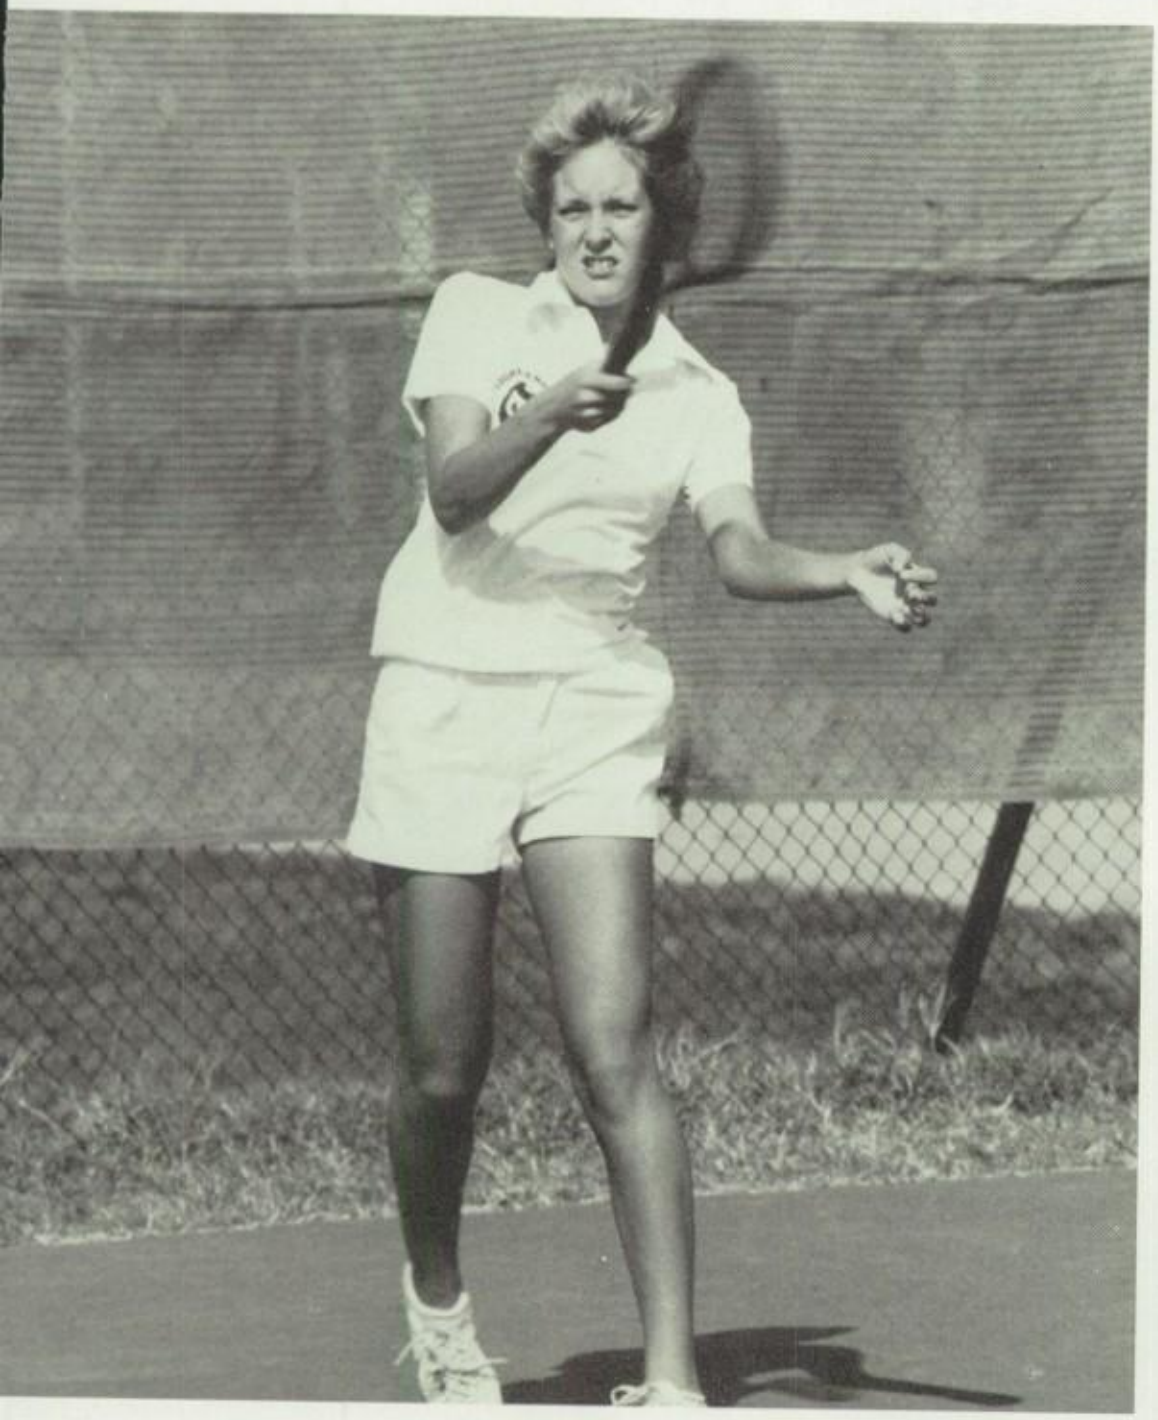
Kelly Cardullias, Ingrid Hellman, Nancy Mendel, and Kathy Rembold were named All-League players. Shelley Wise and Diane Runk also received Honorable Mention — All-League.

Heather Tieman and Michelle Pohle also did quite well as a doubles combination.

Kathy Rembold was named to the 1st Team — All City by the Cincinnati Post, and she received Honorable Mention from the Cincinnati Enquirer.

Mr. Thomas and the entire school are proud of the performance of these girls this fall.





Kathy Rembold returns the ball.

The Lady Highlander Swimmers turned in a highly successful season for 1984. Sparked by three All-Americans, Kim Rhodenbaugh, Caroline Worthing, and Krista Zimmer, the team was also helped immensely by strong juniors and sophomores such as Julie Harding, Cheryl Leubeck, Missy Rielage, and Lisa Dew.

The team lost only two meets all season. They won their sectionals, placed second in the district, and third at the State Meet. The Oak Hills team was the top finisher of all teams from the southwest district represented at the State Meet.

Coach Jenny McMullen spoke with pride of these girls and looks forward to a strong season next year with a team of experienced underclassmen.

The Aquascots are the support group for the boys' and girls' swim teams. The main function of the group is to run the home swim meets by announcing, timing, recording scores, and selling tickets. The Aquascots meet once a week to finalize duties for each meet and to post signs on walls and lockers. The group sponsors bake sales and a Valentine sale to help cover costs of projects.

This year there were 13 Aquascots, and Holly Simmons was the captain.

KIM

Senior Kim Rhodenbaugh's day starts at 5:30 in the morning as she prepares to go to practice. She drives to St. Xavier to start her morning practice at 6:15. This practice lasts until approximately 7:45, when Kim heads for school. Her first bell study hall lets her have more flexibility in her practice time.

After school, practice begins at 4:00 and Kim trains in the water until 6:30. Mondays, Wednesdays, and Fridays are spent with weights after the two and a half hours in the water. Tuesdays, Thursdays, and Saturdays are devoted to calisthenics.

The training doesn't stop on Saturdays. At 9:00 Kim is once again in the water training until noon and then doing calisthenics. The majority of the afternoon, from 4:00 to 6:00, is taken up with water training. All the practice is worthwhile when one examines Kim's record.

She has gained national recognition through her swimming achievements and is looking to the 1984 Los Angeles Summer Olympics. Kim holds five National Titles in a combination of 100 and 200 meter breast stroke wins.

In 1982, she traveled to Equador to compete in the World Games. The World Games are very important since top swimmers from around the world compete. Most of them are contenders for the Olympics. Kim tried out for both the 100 and 200 meter breast stroke, but qualified for only the 100 meter in which she placed with a silver. She and three other girls won another silver medal for their time in the 400 meter medley relay.

Another important competition for Kim took place in Venezuela. She made the U.S. team in the 100 and 200 meter breast stroke and flew to Caracas for the 1983 Pan American Games. Unfortunately Kim became ill, and although she could still compete, she was not up to her usual standards. She did, however, place in each event with a bronze medal. The 400 meter medley relay brought encouragement in the form of a Gold medal which helped make up for the disappointment she felt in the earlier competition.

This year in late July Kim will try out for the 1984 United States Olympic Swim Team in Indianapolis. Kim considers the United State competition heavy, but her main international competition comes from East Germany, Canada, and Japan. No matter how the Olympics turn out, Kim intends to retain swimming as a definite part of her life.

From her full swimming scholarship at the University of Texas to perhaps the 1988 Olympics, Kim wants to swim to keep in shape and for the competition. She has plans for an occupation of broadcasting, but for now she dedicates herself to training for the very real goal of the 1984 Olympics.

This year's Girls' Basketball Team was led by a new head coach, Nann Meyer, who had coached the reserves in the previous years. Posting a 5-15 record for the year, the team would always fight back even though it played some of the toughest teams in the city as well as the state.

Oak Hills floored a young team. Junior Kathy Rembold was the only returning starter, and she was named to the HCAL All Star Team. Senior Lisa Joseph led the team with 10.3 points and 7.45 rebounds per game. Senior Lesli Birkofer was an all-around player who aided in scoring, rebounding, steals, and assists. Oak Hill's improved play during the second part of the season was largely due to the development of sophomores Missy Johnson and Sue Wilkymacky.

The reserves finished the season with an impressive 17-2 record. Reserve standouts were Debbie Krabbe, Lori Loew, and Mary Ann Richardson.

The 1984 Girls Track Team included a number of sophomore athletes. Hard work and dedication afforded the team a successful, winning season as they posted a 5-2 overall record for dual and triangular meets.

Several members of the team set school records during the course of the season. Record breakers included the following: Cindy Beul in both the 400 meter dash and the 800 meter run; Lisa Voss in the 300 meter hurdles; Carla Magliano, Julie Diener, Cindy Beul, and Holly Parr in the Distance Medley Relay; Kim Hess in the shot put; and Mary Loebker, Holly Parr, Carla Magliano, and Cindy Beul in the Two Mile Relay.

Topping off a season of success, Miss Debbie Cox, varsity coach, was named Coach of the Year for the Hamilton County League.

Coach Nann Meyer thoroughly enjoyed the 1984 edition of Girls Softball at Oak Hills. She characterized the team as hard working, and it was total team effort that led the girls to the undefeated League Championship and a record of 13 wins against only 1 loss for the season. Seniors Ingrid Hellman and Lesli Birkofer provided the team leadership, while Tina Justice led the team in hitting.

The season for each of these girls was a total success.

Changes

Everyone spoke of it. Conversations in the student cafeteria and the teachers' lounge concerned little else. We all knew it was going to happen. But when? And who would it be?

From the beginning of the second semester, we all realized that a change in the high school administration was imminent. A vacancy in the Personnel Department at the district's Central Office precipitated the move.

On February 6, the answers came. Mr. Ralph Lane, who had worked in the Oak Hills School District since 1960, was appointed by the Board of Education to the position of District Director of Personnel. Mr. Lane had been the principal of O.H.H.S. since 1980. Accepting the new post was not an easy decision for Mr. Lane who had spent all of his years as an educator teaching, coaching, and then as a principal. He had always had close contact with students. Yet new responsibilities are always a challenge. And though he gave up his first love of working with students, he now had to involve himself in a new, exciting position.

At the same time, Mr. Edward Eckel, Associate Principal of the high school for the past five years, was appointed to replace Mr. Lane as the principal of O.H.H.S. That day we could tell by the smile on his face that he was both "excited and honored." And we were all both pleased for him and pleased to welcome him. Two senior girls talking in the cafeteria at noontime said what we all felt. "He's always so fair." "I feel like he cares what happens to me."

Of course, along with his new position, Mr. Eckel assumed a broader set of responsibilities which affected the entire school, but one of his top priorities remained talking to students and their parents about important matters such as schedules or college. He always wanted to be visible — "A part of the school — not office bound," he said. And visible he remains as he leads senior class meetings and announces the senior of the month, or as he chats with a small group of students in the lobby at noontime. We see him in the stands at the Oak Hills — Colerain basketball game or attending the winter production of "Don't Drink the Water" with his wife. He is one quarter of an administrative barbershop quartet at the Homecoming Pep Rally. Or he cheers with the varsity cheerleaders at a football game. Or he announces the National Merit Finalists over the P.A. to the entire school with such a sincerity that we all recognize the importance of doing our best in any endeavor.

Mr. Eckel seems to care about people — as individuals. "Students should feel that they are people, not just numbers."

Another new face, though he was no stranger to the halls of Oak Hills, was that of Willard Sweeder. In order to allow Mr. Eckel to remain with the class of '84, Mr. Sweeder, who had been the principal of Oak Hills from 1966-1980, returned to the high school for the remainder of the second semester. He acted as a temporary consultant to the principal.

And so in 1984 change became an exciting part of the Oak Hills Experience.

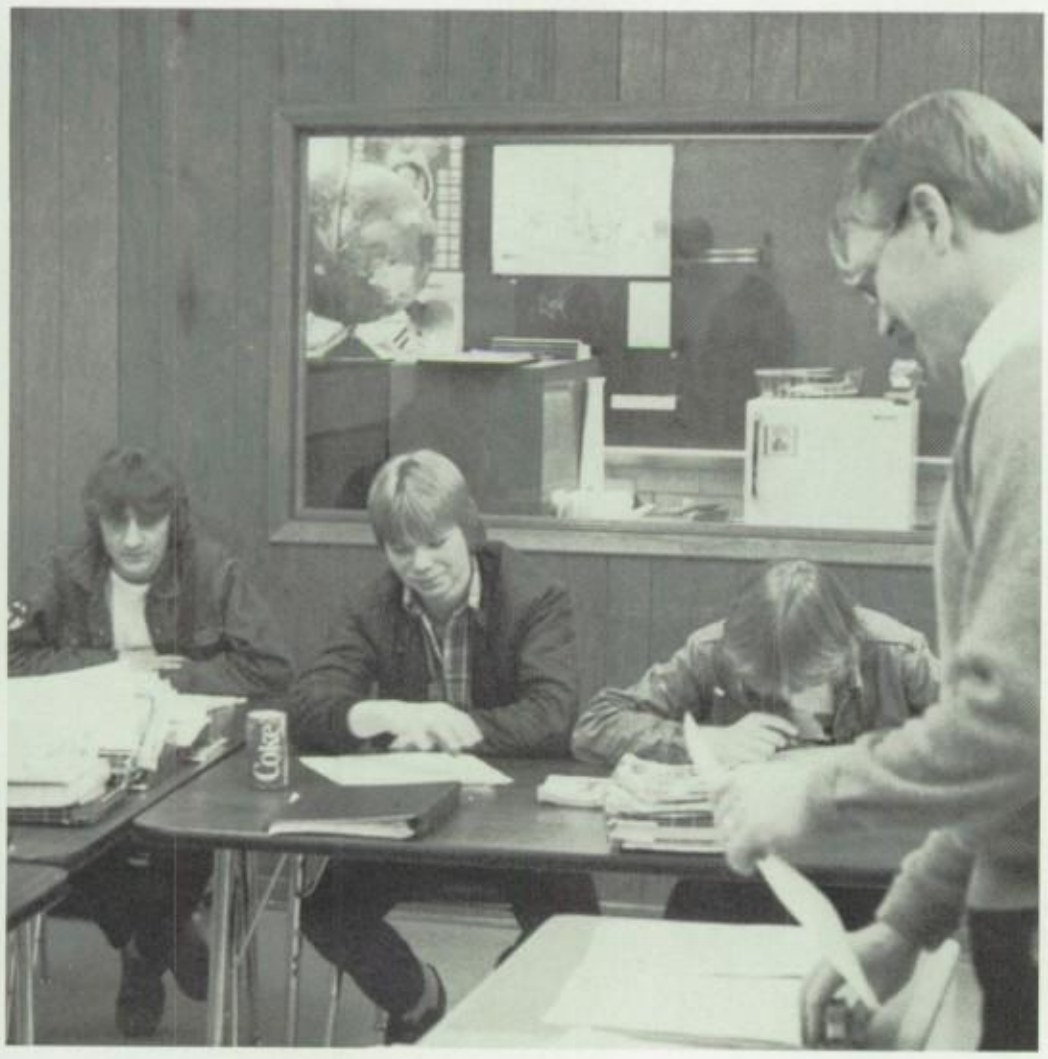
OWE



Occupations Work Experience is a cooperative program in which students attend school for half of every day and then spend the remainder of the day working in the community for a variety of businesses. Mr. Richard Lingo, the O.W.E. instructor, teaches English, health, and job related studies. Students are also enrolled in one other class of their choice taught by another teacher. The goal of the program is to provide students with their fundamental educational background while at the same time preparing them for the world of work. Sophomores, juniors, and seniors are involved in the program.

The class members work in a number of businesses including restaurants, greenhouses, and automotive service garages. The students enjoy the program and believe that it is beneficial. "It makes you feel good about yourself when someone recognizes you and your work; you want to give yourself a pat on the back and say, "Good job!"

The program affords an excellent opportunity for those who want to continue their education while increasing their responsibilities, earning money, and training for specific jobs.

My years at Oak Hills High School have provided me with many fond memories. I value my friendships, the administration, the faculty, and, most of all, the incredible support that they have given me. They have helped me to attain my goals in school and in swimming. I plan to continue my academic and athletic career at the University of Texas this fall. Even though I will be fairly far away, I will always remember the spirited and enthusiastic class of 1984, and I am proud to have been a part of it.

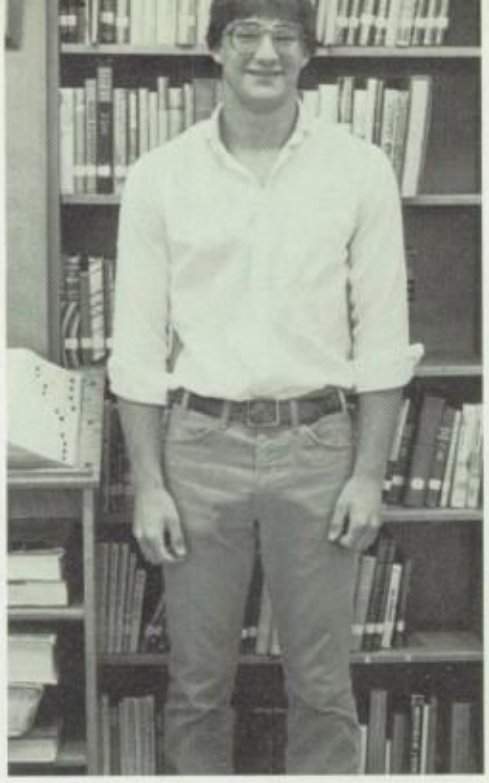
SENIOR OF OCTOBER

CLARK SEARLE



I have very much enjoyed my three years at Oak Hills and feel honored to have been chosen as a "featured senior." I don't feel that after graduation I will miss the school really, but I do think I will miss my friends; we've gone through a lot together. After graduation I will attend the Johns Hopkins University in Baltimore on a four-year Army ROTC Scholarship. While I am there, I plan to work toward Medical School with my goal being a career in surgery.

SENIOR OF NOVEMBER DAN DOERGER

In school at Oak Hills, I have been in several activities such as Drama Club, Tartan, Cheerleader, Swing Choir, and Student Council. My future plans are to go to college at Northern Kentucky University. I plan to study in Theatre and English Education.

I would like to accomplish the goal of getting a degree in Education and in Theatre. After school I would like to try and become a professional performer, but if I can't, I'll have a college education to fall back on.

I'm going to try to reach my goals and make my dreams come true, but I'm being realistic and keeping everything in the right perspective.

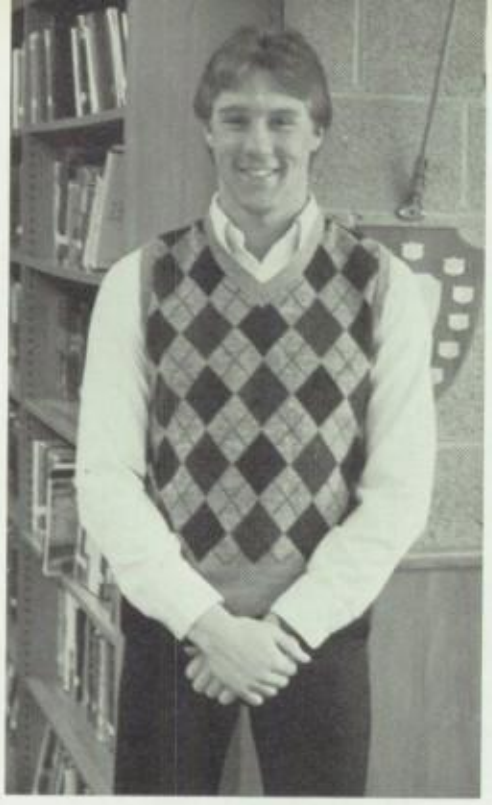
SENIOR OF DECEMBER FRANK SHAUT



When I graduate from Oak Hills High School, I plan to attend Indiana University in Bloomington, Indiana. There, I would like to study to become an actuary, an official who calculates for insurance companies. I'm not really certain about this field as an occupation because it is very hard to get into, but it sounds like something I would love to do. After college I plan to find a great job, and, later perhaps, if I get daring enough, I might get married and settle down.

I have been in several activities at school. National Honor Society, Mock Trial Team, and I work in the bookstore here at school. My future plans are to go to college either St. Louis University or Marquette University. I plan to study Physical Therapy.

My main goal now is to get through college and become a physical therapist. I want to work in either a children's hospital or a residence home.

After establishing my career, I want to travel and maybe become a part of the Peace Corps.

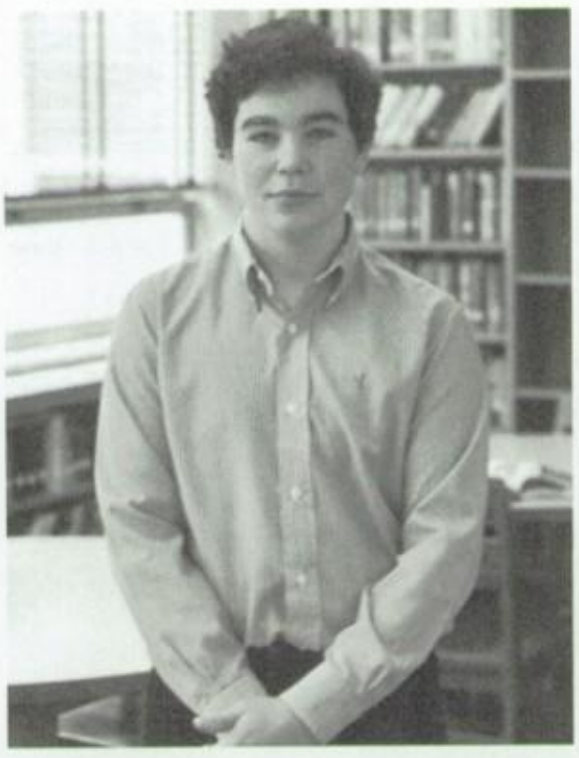
SENIOR OF MARCH

MATT MCHENRY



"You can expect the un-expected wh
you least expect it." My being selec
"Senior of the Month" in March, 1984, c
tainly proved this old adage to be true. T
realization of being recognized a
acknowledged for my achievements by
classmates, the people I admire and resp
the most, was a thrill beyond compare!
know my struggles and efforts over the p
difficult years have not gone unnoticed
my peers was very gratifying. How do I
press my heartfelt thanks to Mr. Eckel
initiating this Senior custom, Ms. Hunt
nominating me for this honor, Mr. Birkho
for his fine testimonial in my behalf, to
my past teachers, tutors, counselors for th
interest and concern, and above all to
friends and classmates for their support a
encouragement through the "good and ba
times? Perhaps my decision to continue
education at Wright State University
Dayton and succeeding in the challenge w
be in some way a tribute to their caring a
sharing in my achievements. God Bless Y

SENIOR OF APRIL

LONNIE RYLAND

Working for the class of '84 was a privilege. We all matured in our three years at Oak Hills with the excellent help of the school's teachers and administrators. I was proud to be a member of the class of '84. As our class continued to grow, we excelled and received many honors from the work done by our members. The class appreciated the work of its members by supporting them and honoring them. The Featured Senior Award is a good example of our class spirit, honoring its members. The class of '84 set many examples for the future classes of Oak Hills to follow. I was proud to be a part of the class of '84's success. I enjoyed working, printing, and achieving for my class because I knew the class appreciated my work.

SENIOR OF MAY
TOM DENNEDY

I've enjoyed high school, and I'm very happy with the way all my hard work has paid off. I was a member of the wrestling team, vice-president of National Honor Society, treasurer of Science Club, and a class representative. My hardest activity was probably wrestling because it took so much time and discipline, but I think it taught me how to manage my time and deal with pressure.

After graduation I am going to attend the Air Force Academy, but I'm not sure whether or not I want to pursue a career in the Air Force. The Academy will give me a good education and the chance to experience a new place and a new way of life.

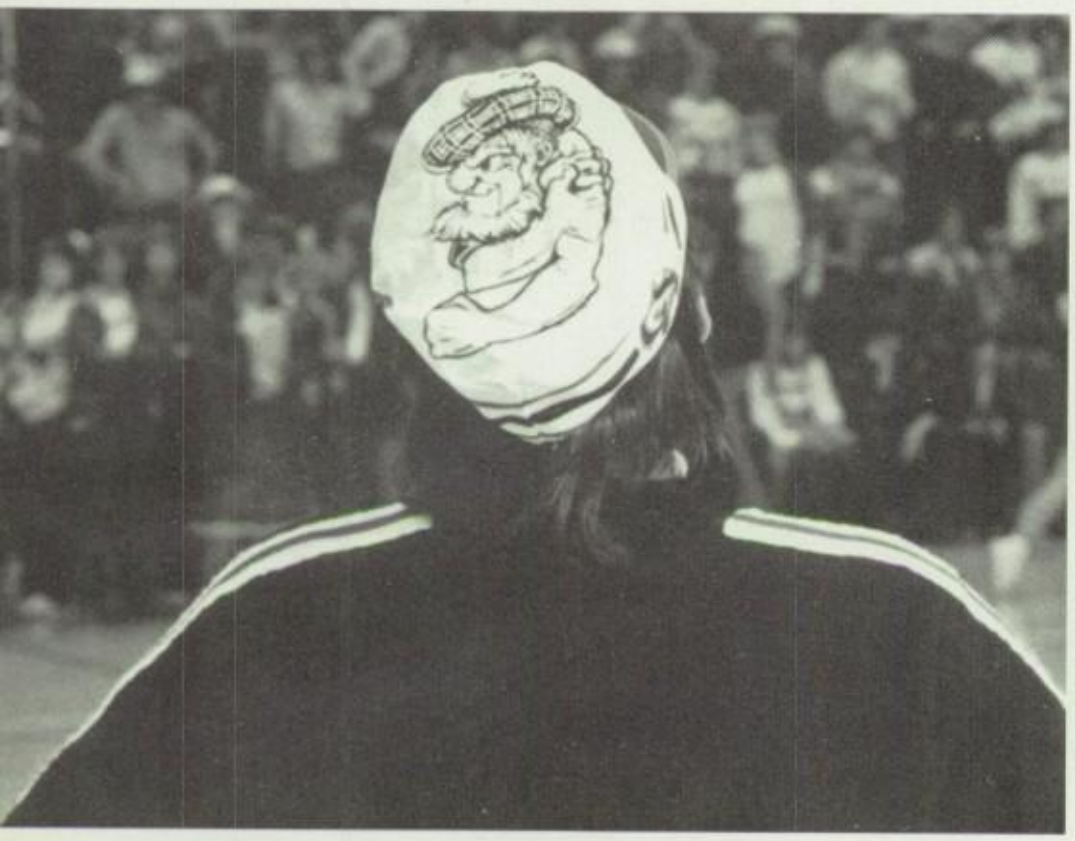
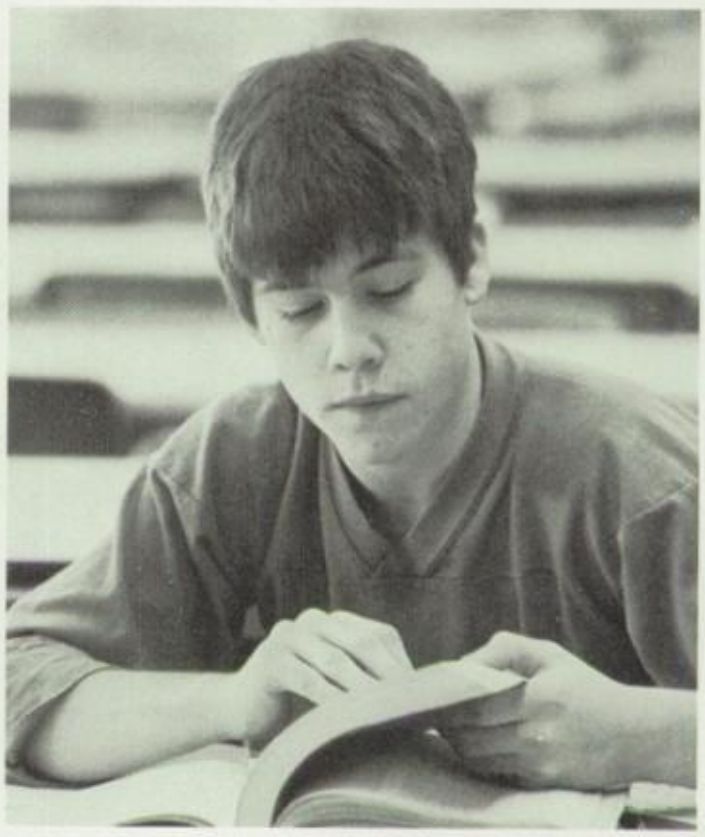
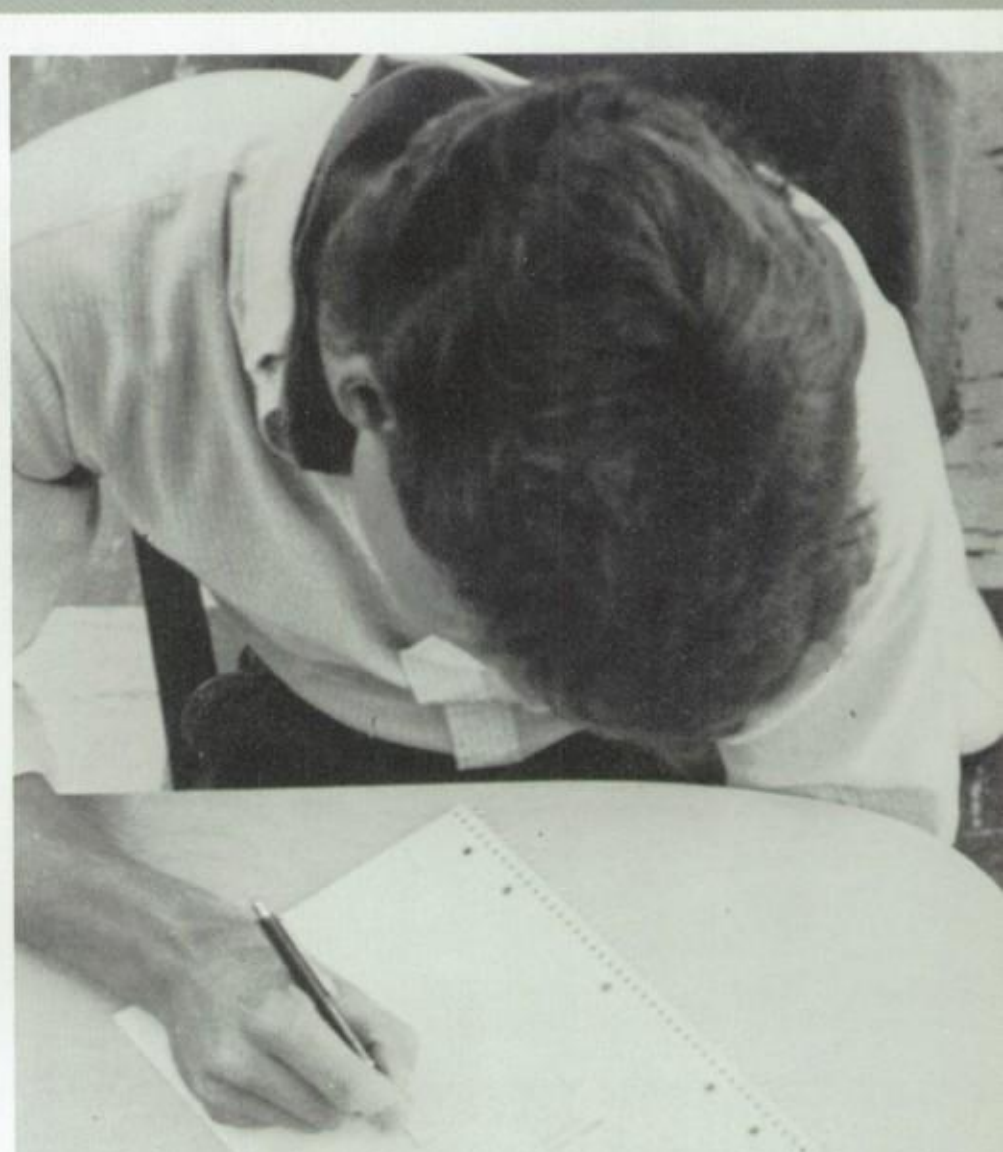
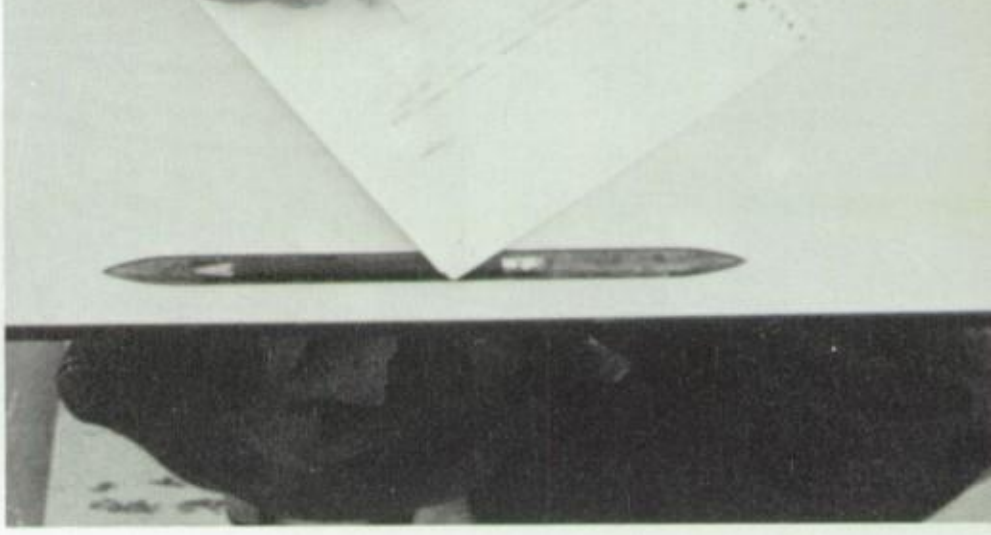
HILLS HIGH SCHOOL

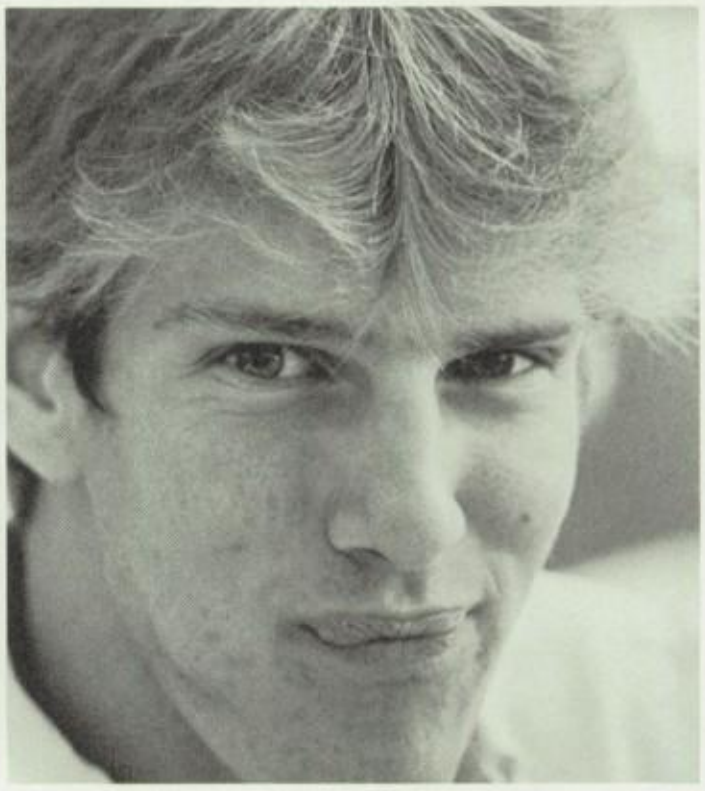








BALLOO



The Oak Hills Experience

Just how can we explain what it has meant to have been a student at Oak Hills High School? How can we describe what it is to be a Highlander? How do we share the Oak Hills Experience? In many ways . . .

It's summer football practice and band camp and the excitement of the first day of school.

It's fans pushing hot air through classrooms in September and renewed friendships after summer jobs.

It's football games on crisp autumn evenings and sock hops in the cafeteria.

It's a burger and fries in a crowded lunchroom and cramming for history quizzes between classes.

It's classes that challenge and entice and puzzle us.

It's registration time in the spring when we count our credits and decide whether our electives will be in social studies or English or chemistry or art.

It's the Art Club decorating the lobby for the Christmas season and homerooms gathering food for gift boxes.

It's Fighting Scots — men and women — in track shoes or on the basketball court or in the water or on the diamond, training day after day, achieving at highest levels, seeking success for themselves and the school, and the entire community.

It's the Boosters Club and parents who care and library volunteers and health center workers — all those who give their time and talent for us.

It's talented Oakettes, synchronizing their efforts in afternoon practices in the lobby.

It's wrestlers and french horn players in practice rooms at opposite ends of a sprawling building.

It's candy sales to raise money for the construction of a solar greenhouse.

It's games and meets and matches — at home and away — and cheerleaders and Soccer Scots, Matscots, Spike Scots, Aqua Scots, and the rest of the scots.

It's class meetings and College Night and the ACT and graduation announcements.

It's a class ring given to a friend.

It's Levi jackets and white leather Nikes and Ocean Pacific shirts and Lee jeans and feathered hair and "Beat Elder" buttons.

It's stage crew and "Damn Yankees" and Science Fair and Prom and Senior Banquet and pep rallies and bake sales in the lobby.

It's Sports Awards nights and National Honor Society Induction ceremonies.

It's COE Christmas sales and Editorials in the *Tartan.*

It's holding hands and flags at half mast and snow flakes in the courtyard and P.A. announcements and music between classes and exams and research papers and questions and answers and questions without answers and blossoming awareness and stepping into adulthood and memories, so many memories.

It's all of this, and so very much more.

But most of all, it's people. It's classmates and special friends and teachers who come together daily for three years and who learn to care about each other and who form relationships that will never be forgotten. It's all the people who are Highlanders and who love being Highlanders, and it's red and it's black and it's plaid and for three years we love it and for all of our years we will remember it.

And, for want of a better term, we call it the Oak Hills Experience.

January, 1984

IN MEMORY OF STEVE SCHERER

"When he shall die,
Take him and cut him out in little stars,
And he will make the face of heav'n so fine
That all the world will be in love with Night
And pay no worship to the garish Sun."
